

Nia Simone

Actress | Dancer | Model | Poet | Singer | Songwriter

About Me

NxSx is Sarcarrongances youngest and newest aspiring performer! While young, she has already established herself as a powerful and fearless writer, singer and dancer who enjoys having fun with her craft while simultaneously refusing to shy away from topics many artists may be uncomfortable to talk about. The baby sis of Sarcarrongance is growing her presence on YouTube and Instagram and can't wait to share her art with the world!
